RE: Final Approval  
Getty Minerals Company  
Mercur Canyon  
Project Modification  
ACT/045/017  
Tooele County, Utah

Dear Mr. Hautala:

Receipt of the fully executed Mined Lands Reclamation Contract from Getty on April 28, 1983 and subsequent on-site inspection of the Mercur Canyon Project facilities of June 21, 1983, to observe several areas relating to the Division's September 23, 1982 Conditional Approval have satisfied previous Division and Board concerns. Mr. Brian Buck's June 29, 1983 letter addressing issues brought out during the inspection appear to satisfy all remaining Division concerns.

Therefore, in accordance with Title 40-8-18 of the Utah Mined Land Reclamation Act of 1975 (U.C.A. 1953) the above referenced modification is hereby approved. All changes and reporting which will be required have been resolved and remain to be implemented. Thank you for your cooperation. If we can be of further assistance, please call.

Sincerely,

JAMES W. SMITH, JR.
